**AMENDED AND RESTATED GRANT OF SECURITY INTEREST IN  
PATENTS, TRADEMARKS AND LICENSES**

THIS AMENDED AND RESTATED GRANT OF SECURITY INTEREST IN PATENTS, TRADEMARKS AND LICENSES (herein the "Agreement") made as of this 9th day of November, 2010, by JAMES PERSE ENTERPRISES, INC., a California corporation, with its principal place of business at 3311 E. Slauson Avenue, Los Angeles, California 90058 (herein the "Company"), and THE CIT GROUP/COMMERCIAL SERVICES, INC., a New York corporation, with offices at 300 South Grand Avenue, Los Angeles, California 90071 (herein "CIT").

**W I T N E S S E T H:**

WHEREAS, the Company and CIT are parties to that certain Factoring Agreement, dated October 12, 2006 (as the same may be amended, restated, modified or supplemented from time to time, the "Factoring Agreement");

WHEREAS, the Company has executed and delivered to the order of CIT an Amended and Restated Term Promissory Note and Loan Agreement dated on or about the date hereof (as the same may be amended, restated, modified or supplemented from time to time, the "Term Note") pursuant to which CIT has made or will make a certain term loan to the Company; and

WHEREAS, the Company has agreed to grant to CIT, as collateral security for all of its "Obligations" (as defined in the Factoring Agreement), a security interest in certain of the Company's assets, including, without limitation, its trademarks, trademark applications and/or registrations, tradenames, goodwill and licenses, and, if applicable, any patents, patent applications and/or registrations, all as more fully set forth herein and in the Term Note;

NOW THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the Company agrees as follows:

1. **Definitions.** Capitalized terms used herein and defined in the Term Note shall have the meanings set forth therein unless otherwise specifically defined herein.

2. **Grant of Security Interest.** To secure the payment of all Obligations (as defined in the Factoring Agreement), including, without limitation, all indebtedness, obligations and liabilities which may be now or hereafter owed by the Company to CIT arising out of, or incurred in connection with this Agreement or the Term Note (collectively, the "Secured Obligations"), the Company hereby grants to CIT a security interest, effective immediately, in all of the Company's right, title and interest in and to all of the following described property, whether now owned or hereafter acquired (collectively herein the "Intellectual Property Collateral"):

- (i) Patents and patent applications and/or registrations together with the inventions and improvements described and claimed therein including, without limitation, the patents and applications, if any, listed on Schedule A, attached hereto and made a part hereof, and any and all reissues and renewals thereof and all income, royalties, damages and payments now and hereafter due and/or payable in connection therewith including, without limitation, damages and payments for

past or future infringements thereof (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "Patent Collateral");

- (ii) Trademarks, trademark registrations, recordings and/or applications, tradenames, trade styles, service marks, prints and labels on which any of the foregoing have or may appear, designs, general intangibles pertaining to any of the foregoing, including, without limitation, the trademarks and applications, if any, listed on Schedule B attached hereto and made a part hereof, and any and all reissues and/or renewals thereof, and all income, royalties, damages and payments now and hereafter due and/or payable in connection therewith including, without limitation, damages and payments for past or future infringements thereof (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "Trademark Collateral");
- (iii) Any license agreement in which the Company is or becomes licensed to use any patents and/or trademarks owned by a third party including, without limitation, the licenses, if any, listed on Schedule C attached hereto and made a part hereof (all of the foregoing are sometimes referred to herein individually and/or collectively as the "License Collateral");
- (iv) The goodwill of the Company's business connected with and symbolized by the Intellectual Property Collateral;
- (v) Any and all of the Company's rights and interests in any of the foregoing as they relate to the Company's accounts, inventory, equipment and general intangibles, or any collateral bearing any of the foregoing, including without limitation the right to sell inventory, goods and property bearing or covered by any of the foregoing Intellectual Property; and
- (vi) All cash and non-cash proceeds, royalties and income of the foregoing, including without limitation any amounts obtained pursuant to any infringement action.

3. **CIT Rights.** Upon the occurrence of any Event of Default hereunder, CIT shall have all the rights and remedies of a secured party under the Uniform Commercial Code and any other applicable state or federal laws. CIT will give the Company reasonable notice of the time and place of any public sale of the Intellectual Property Collateral or the time after which any private sale of the Intellectual Property Collateral or any other intended disposition thereof is to be made. Unless otherwise provided by law, the requirement of reasonable notice shall be met if such notice is mailed, postage prepaid to the address of the Company set forth above at least ten (10) days before the date of such sale or disposition. In addition to the foregoing and all other rights and remedies of CIT upon the occurrence of any Event of Default hereunder, CIT shall thereupon have the immediate right to transfer to itself or to sell, assign and transfer to any other person all right, title and interest in and to all or any part of the Intellectual Property Collateral. A formal irrevocable power of attorney (in the form annexed hereto) is being executed and delivered by the Company to CIT concurrently with this Agreement to enable such rights to be carried out. The Company agrees that, in the event CIT exercises its rights hereunder and/or pursuant to said power of attorney in accordance with its terms, after written notification of such exercise from CIT to the Company, the Company shall never thereafter, without the prior written authorization of the owner or owners of such Intellectual Property Collateral, use any of such Intellectual Property Collateral. The condition of the foregoing

trademark agreement - September 2010.DOC

provision is such that unless and until there occurs an Event of Default under this Agreement, the Company shall continue to own and use the Intellectual Property Collateral in the normal course of its business and to enjoy the benefits, royalties and profits therefrom provided, however, that from and after the occurrence of an Event of Default such right will, upon the exercise by CIT of the rights provided by this Agreement, be revoked and the right of the Company to enjoy the uses, benefits, royalties and profits of said Intellectual Property Collateral will wholly cease, whereupon CIT or its transferee(s) shall be entitled to all of the Company's right, title and interest in and to the Intellectual Property Collateral hereby so assigned. This Agreement will not operate to place upon CIT any duty or responsibility to maintain the Intellectual Property Collateral.

4. **Fees.** The Company will pay all filing fees with respect to the security interest created hereby which CIT may reasonably deem necessary or advisable in order to perfect and maintain the perfection of its security interest in the Intellectual Property Collateral in the United States.

5. **Representations and Warranties.** The Company represents, warrants and covenants: that the Company lawfully possesses and owns the Intellectual Property Collateral and that except for the security interest granted hereby, the Intellectual Property Collateral will be kept free from all liens, security interests and encumbrances whatsoever (except, for the avoidance of doubt, licenses issued pursuant to licensing agreements permitted hereunder); that the Intellectual Property listed on Schedule B will be kept free of all claims (provided that a claim shall constitute a breach of this covenant only to the extent that CIT determines, in good faith, that such claim would reasonably be expected to have a material adverse effect on the value of the Intellectual Property listed on Schedule B, taken as a whole); that the Company has not made or given any prior assignment, transfer or security interest in the Intellectual Property Collateral or any of the proceeds thereof; that the Intellectual Property Collateral listed on Schedule B hereto is and will continue to be, in all respects, in full force and effect (provided that the rejection of an application pending with the United States Patent and Trademark Office shall constitute a breach of this covenant only to the extent that CIT determines, in good faith, that such rejection would reasonably be expected to have a material adverse effect on the value of the Intellectual Property listed on Schedule B, taken as a whole); that all other Intellectual Property Collateral is and will continue to be, in all material respects, in full force and effect; and that there are no known infringements of the Intellectual Property Collateral. The Company agrees not to take any action inconsistent with the terms and intent hereof, provided that the Company may enter into licensing agreements in the ordinary course of its business on fair and reasonable terms, provided further that no Event of Default (as defined herein below) has occurred and that any such agreement does not adversely effect CIT' rights and interests hereunder. The Company hereby further agrees to provide notice to CIT of any applications or registrations for Intellectual Property Collateral hereafter acquired or made, provided that any such Collateral shall be automatically subject to the terms hereof and provided that the Company shall take any such additional action as CIT shall reasonably request with respect thereto.

6. **Application of Proceeds.** The proceeds of any sale, transfer or disposition of the Intellectual Property Collateral shall be applied first to all costs and expenses, including, but not limited to, reasonable attorneys' fees and expenses and court costs, incurred by CIT in connection with such sale and the exercise of CIT' rights and remedies hereunder and under the Term Note, next, such proceeds shall be applied to the payment, in whole or in part, of the

Secured Obligations in such order as CIT may elect; and the balance, if any, shall be paid to the Company or as a court of competent jurisdiction may direct.

7. **Defense of Claims.** The Company will defend at its own cost and expense any action, claim or proceeding affecting the Intellectual Property Collateral or the interest of CIT therein. The Company agrees to reimburse CIT for all costs and expenses reasonably incurred by CIT in defending any such action, claim or proceeding.

8. **Rights Cumulative.** This Agreement shall be in addition to the agreements in the Term Note. This Agreement shall amend, replace and supersede that certain Grant of Security Interest in Patents, Trademarks and Licenses made as of February 21, 2008 by the Company and CIT (as amended or supplemented from time to time, the "Existing Agreement"), But this Agreement shall in no way be construed to, nor shall it affect, modify, diminish or break the continuity of CIT's security interest in all of the Company's past, present and future Intellectual Property Collateral, as more fully described in said Existing Agreement and this Agreement, which security interest is hereby ratified and confirmed. This Agreement shall not be deemed to affect, modify or limit the Term Note or any rights that CIT has under the Term Note. The Company agrees to execute and deliver to CIT (at the Company's expense) any further documentation or papers necessary to carry out the intent or purpose of this Agreement including, but not limited to, financing statements under the Uniform Commercial Code.

9. **Construction and Invalidity.** Any provisions hereof contrary to, prohibited by or invalid under any laws or regulations shall be inapplicable and deemed omitted here from, but shall not invalidate the remaining provisions hereof.

10. **CHOICE OF LAW; JURY TRIAL WAIVER.** THE COMPANY AGREES THAT THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS AGREEMENT AND ALL RIGHTS HEREUNDER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA. THIS AGREEMENT TOGETHER WITH THE AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT OF THE COMPANY AND CIT WITH RESPECT TO THE INTELLECTUAL PROPERTY COLLATERAL, CAN ONLY BE CHANGED OR MODIFIED IN WRITING. THE COMPANY AND CIT EACH HEREBY EXPRESSLY WAIVES ANY RIGHT OF TRIAL BY JURY ON ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING HEREUNDER.

The parties to this Agreement prefer that any dispute between or among them be resolved in litigation subject to the above jury trial waiver. If, and only if, a pre-dispute jury trial waiver of the type provided for herein is unenforceable in litigation to resolve any dispute, claim, cause of action or controversy under this Agreement or any other document between the parties hereto (each, a "Claim") in the venue where the Claim is being brought pursuant to the terms of this Agreement, then, upon the written request of any party, such Claim, including any and all questions of law or fact relating thereto, shall be determined exclusively by a judicial reference proceeding. Except as otherwise provided herein, venue for any such reference proceeding shall be in the state or federal court in the County or District where venue is appropriate under applicable law (the "Court"). The parties shall select a single neutral referee, who shall be a retired state or federal judge. If the parties cannot agree upon a referee within 30 days, the Court shall appoint the referee. The referee shall report a statement of decision to the Court. Notwithstanding the foregoing, nothing in this paragraph shall limit the right of any party at any time to exercise self-help remedies, foreclose against collateral or obtain provisional remedies (including without limitation, requests for temporary restraining orders, preliminary injunctions,

trademark agreement - September 2010.DOC

writs of possession, writs of attachment, appointment of a receiver, or any orders that a court may issue to preserve the status quo, to prevent irreparable injury or to allow a party to enforce its liens and security interests). The parties shall bear the fees and expenses of the referee equally unless the referee orders otherwise. The referee also shall determine all issues relating to the applicability, interpretation, and enforceability of this section. The parties acknowledge that any Claim determined by reference pursuant to this section shall not be adjudicated by a jury.

11. **Events of Default.** The occurrence of any Event of Default under the Term Note which is not waived in writing by CIT constitutes an Event of Default under this Agreement.

12. **Notices.** The Company covenants and agrees that, with respect to the Intellectual Property Collateral, it will give CIT reasonably prompt written notice at its offices at 300 S. Grand Ave., 12<sup>th</sup> Floor, Los Angeles, California 90071 of:

- (i) any claim by a third party that the Company has infringed on the rights of a third party that has or would have a material adverse affect on the Company;
- (ii) any claim by a third party with respect to any of the Intellectual Property listed on Schedule B;
- (iii) any suspected infringement by a third party on the rights of the Company that has or would have a material adverse affect on the Company; or
- (iv) any applications or registrations for any Intellectual Property Collateral created, arising or acquired by the Company after the date hereof.

13. **Further Assurances.** The Company will take any such action as CIT may reasonably require to further confirm or protect CIT's rights under this Agreement in the Intellectual Property Collateral. In furtherance thereof, the Company hereby grants to CIT a power of attorney coupled with an interest which shall be irrevocable during the term of this Agreement to execute any documentation or take any action in the Company's behalf required to effectuate the terms, provisions and conditions of this Agreement.

14. **Termination.** This Agreement shall terminate upon termination of the Term Note and full and final payment in cash of all indebtedness owed by the Company to CIT thereunder. Upon the Company's request, CIT shall within a reasonable time after any such termination execute and deliver to the Company (at the Company's expense) such documents and instruments as are reasonably necessary to evidence such termination and release of the security interest granted herein on any applicable public record.

15. **Assignment.** This Agreement binds and benefits each of the Company and CIT and their respective successors and assigns; provided, however, that the Company may not assign this Agreement or its rights hereunder without CIT's prior written consent. The Company agrees that CIT may, without notifying the Company, sell, assign or transfer its rights and obligations under this Agreement, including, without limitation, CIT's rights and obligations with respect to the Intellectual Property Collateral.
